The image shows three smartphones side-by-side, each displaying a different screen of the SAB SABDA mobile application. The top phone shows a red header with 'Komik' and a page number '1'. The middle phone shows a yellow header with 'Penciptaan' and a page number '1'. The bottom phone shows a blue header with 'Kejadian' and a page number '1'. All phones have a red footer bar with icons. The screens display various religious content, including text, images, and illustrations related to creation and history.

KEJADIAN

Allah menciptakan langit dan bumi serta isinya

1:1-2:7

1 Pada mulanya Allah menciptakan langit dan bumi. 2 Bumi belum berbentuk dan kosong; gelap gulita menutupi samudera raya, dan Roh Allah melayang-layang di atas permukaan air.

3 Berfirmanlah Allah: "Jadilah terang." Lalu terang itu jadi. 4 Allah melihat bahwa terang itu baik, lalu dipisahkan-Nyalah terang itu dari gelap. 5 Dan Allah menamai terang itu siang, dan gelap itu malam. Jadilah petang dan jadilah pagi, itulah hari pertama.

6 Berfirmanlah Allah: "Jadilah cakrawala di tengah segala air untuk memisahkan air dari air." 7 Maka Allah

Yohanes Pembaptis menyiapkan umat Allah untuk kedatangan Yesus^a

1 ^{b-2}Inilah Kabar Baik^b tentang Kristus^c Yesus— Anak Allah.^d Kejadian ini dimulai seperti yang dulu sudah ditulis oleh Nabi Yesaya dalam bukunya. Yesaya menulis apa yang Allah katakan kepada Anak-Nya seperti ini,

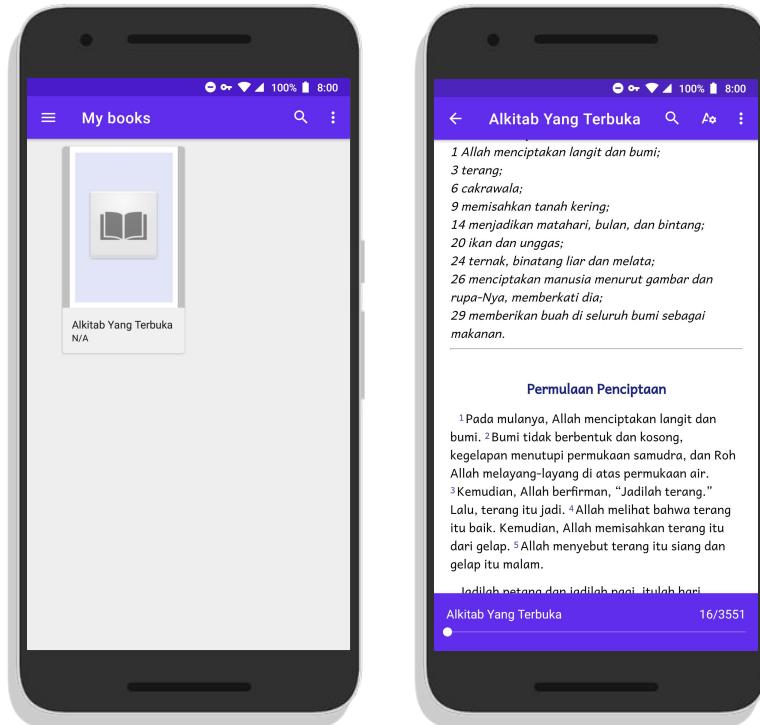

“Perhatikanlah: Aku akan mengutus seorang pemberita lebih dulu, supaya dia menyiapkan jalan sebelum Aku mengutus Engkau.”^e

The screenshot shows the official website for Scripture App Builder. At the top left is the SIL International logo. The top navigation bar includes links for Download, Support, Resources, Developer, News, and About, along with a search bar. Below the navigation is a purple header bar with the text "SCRIPTURE APP BUILDER" and "LANGUAGE TECHNOLOGY". The main visual is a close-up photograph of a person's hands holding a smartphone displaying a mobile app with text in a local script. To the right of the phone is a green button labeled "DOWNLOADS". Above the download button is a small icon of a smartphone with a stylized letter 'S' inside it, accompanied by the text "Create customized mobile apps with synchronized Scripture text and audio." Below the main image is a descriptive paragraph about the software's functionality. At the bottom of the page are three smaller images illustrating the software's features: a man looking at a phone ("Easy to build"), a phone displaying text ("Synchronize text and audio"), and a hand holding a phone ("Easy to distribute").

Scripture App Builder helps you to build customized Scripture apps for Android and iOS smartphones and tablets. You specify the Scripture files to use, the app name, the fonts, the colors, the about box information, the audio and the icons. Scripture App Builder will package everything together and build the customized app for you. You can then install it on your phone, send it to others by Bluetooth, share it on microSD memory cards and publish it to app stores on the Internet.
